WinTech The passenger car winter tyre

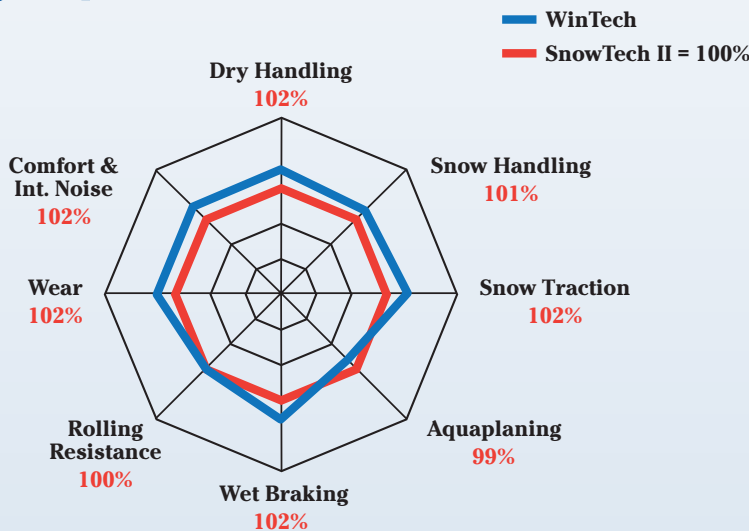

Viking's new winter tyre for compact- and middle-class vehicles. The WinTech offers constant performance in fast changing winter weather conditions with improved grip and excellent handling on snowy roads.

Technical highlights

Traction on snow	Handling on snow	Dry handling
Thanks to multiple sipes positioned close to one another, the tyre gains a deeper grip in the snow, ensuring better traction on snowy surfaces.	Block edges in different angles ensure optimal grip for excellent steering behaviour. This makes for exceptional handling on snowy surfaces.	Wide shoulder blocks increase block stiffness. This ensures improved handling performance.

LI = Load index
 SI = Speed index
 XL = Extra load
 FR = Rim protection
 SUV = Sport Utility Vehicle
 * = SUV

Speed index:
 Q = up to 160 km/h
 R = up to 170 km/h
 T = up to 190 km/h
 H = up to 210 km/h
 V = up to 240 km/h

EU label values:
 = Fuel efficiency
 = Wet grip
 = External rolling noise (decibels)
 = Class
